

Join Florida's Leaders in Cardiac Resuscitation Excellence!

Together, we can set a new standard for cardiac resuscitation excellence in Florida

WHAT IS FRCE?

The **Florida Resuscitation Center for Excellence (FRCE)** program creates a statewide network of hospitals committed to improving cardiac arrest outcomes. Through attestation and EMS involvement, your hospital will be recognized for advancing resuscitation care.

WHY PARTICIPATE?

Be a Leader

Improve outcomes, save lives, and elevate your hospital's reputation.

Statewide Recognition

Earn the prestigious FRCE designation and showcase your commitment to excellence.

Compete to Lead

Join the growing list of hospitals already setting the standard in cardiac arrest care.

JOINING IS SIMPLE.

1

Sign Up

Complete the online interest form

2

Learn More

Download the FRCE Tool Kit

3

Meet Locally

Review program details with EMS and hospital leaders

4

Submit Form

Send signed attestation to mkeahey@emlrc.org

5

Celebrate

Announce your hospital's FRCE designation!
